Hey Kevin, here are the letters and enclosures that went out. And yes, they've been infiled into SEMS. I can't find Kim's DOI confirmation email in my inbox so I'll ask her resend. I'll forward to you once I get the email.

Good evening - Can someone provide me a link to the final set of enclosures for both GNLs?

The letters and enclosures are going in SEMS, correct?

Thank you

Kevin
